# Discord Joining Handbook

Welcome to the Bootcamp!

Below are the details on how to join Discord and access the channels to get your doubts answered.

Open the first non-free video and look for the **"Ask Questions (on Discord)"** button.

Click on the button, it will redirect you to the Discord.

Enter your Discord credentials, and log in. If you don't have a Discord account, register a new one and log in (make sure to verify your email address after registering)

You will land on the below page, after logging in.
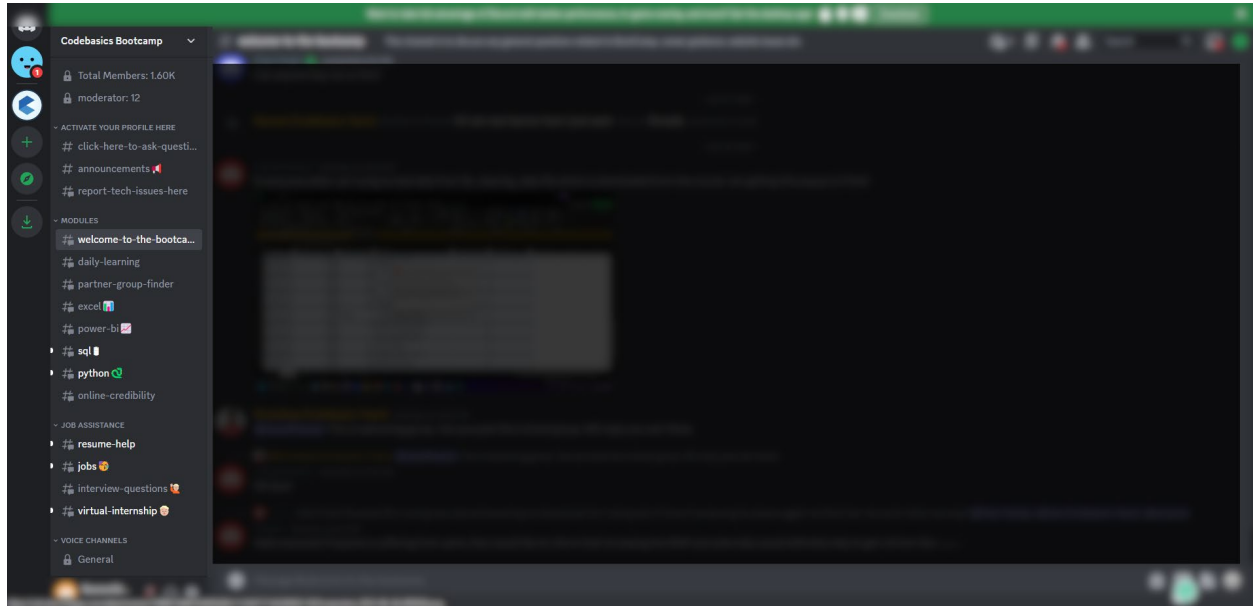

Discord Joining Handbook

Click on the **"Authorize"** button.

It will redirect you to the invite page - **Accept** the invitation.

Discord Joining Handbook

You will get to see all the below channels.

Discord Joining Handbook

How to access upcoming module-related channels?

Once you enter the new module which requires other channels access, just click on the **"Ask Questions (On Discord)"** button again present below the videos of that module.

It will redirect you to the discord.

Access to the module-related channels will be updated.

(Refresh/Restart Discord once if the access is not granted)
